Presents

Saturday, March 13

8:00 pm

Peter Mayer

Peter Mayer writes songs for a small planet—songs about interconnectedness and the human journey; about the beauty and the mystery of the world. Whimsical, humorous, and profound, his music breaks the boundaries of "folk", and transcends to a realm beyond the everyday love song, to a place of wonder at the very fact of life itself.

"I'm a huge Peter Mayer fan, but only when I don't feel like killing him for being so good. I love Peter's work, though it irritates me that he plays so much better than I do.

If I rocked half as hard as Peter does, I'd own the world by now."
